

Kerick Valve Warranty

Due to the vast combination of components (valve sizes, orifice sizes, rod lengths & float sizes) Kerick Valve does not warranty this product for any particular purpose or use. Suitability of use and proper installation is the responsibility of the purchaser and/ or installer.

Limited Warranty

Should the valve not perform as designed due to material or workmanship defect within one year of installation or two years from manufacturing date whichever comes first, Kerick Valve will replace or repair the valve at its option. Liability is limited to cost or repair of float valve assemblies only.
